

Speak the Word

Tracy Chapman

Unsettled hearts
Promise what they can't deliver
Bring me the wine
And the cold night air to clear my head
Gray matter memory house
Master of this trembling flesh
Steady still my doubts
Let me speak the word that precedes bliss
Let me speak the word
Let me speak the word Love love love love love love love Let me speak the word
Let me speak the word Love love love love love love love Let me speak the word
Let me speak the word Let me speak the word
Let me speak the word These weakened knees
Have not touched ground or pew in ages
I haven't bowed my head
To offer thanks to any god or to ask for favors
But watch me now
I'm falling down
Praying
To speak the word that precedes bliss
To speak the word
To speak the word Love love love love love love love Let me speak the word
Let me speak the word Love love love love love love love Let me speak the word
Let me speak the word Let me speak the word
Let me speak the word Speak the word
Let me speak the word
Let me speak the word
La la la, la la la la
Let me speak the word
Let me speak the word
La la la la, la la la la la
Let me speak the word
Let me speak the word
La la la la, la la la la la
Let me speak the word
Let me speak the word
La la la, la la la la
Let me speak the word
Let me speak the word
La la la la, la la la la la
Let me speak the word
Let me speak the word

La la la, la la la la
La la la la la la la la (speak the word, speak the word)
La la la la la la la la (speak the word, speak the word)
La la la la la la la la (speak the word, speak the word)
