

Make Me Say It Again Girl

The Isley Brothers

Oh, I believe you are a rainbow
All the heaven I need to see
You're the promise everlasting
Where you are I hope to be Make me say it again girl
Make me say it again girl
Make me say it again girl, you're all I need Whatever pain's inside, you make it better
You seem to realize when I'm concerned
You are the only one who goes through the changes
Given my life directions if I am turned Make me say it again girl
Make me say it again girl
Make me say it again girl, you're all I need Why am I worthy of love from an angel
Princess imperial of my soul
Don't really matter if you choose not answer
Hopin' that what I reveal you already know
