

# Call Me Righteous (Romans 4:5-8)

## Fred Hammond & Radical for Christ

I'm not the same I was lost, didn't know my future  
So alone, couldn't see who He was  
But He chose me, changed my life completely  
Fixed my heart, cleansed me and made me Holy It was no good that I've done  
To make You call me one of Your sons  
Couldn't pay the price to save my life  
But You took the cost, and found what was lost  
(Chorus)  
Call me righteous, since He changed my nature  
Call me righteous, changed my name  
Call me righteous, I'm a brand new creature  
Call me righteous, I'm not the same I can't believe, He knew all about me  
Still he loved me, enough to forgive me  
I never thought, my name would be royal  
Since He gave, I will give Him all (Repeat Chorus) (Vamp)  
Baptized me, justified me, purified me  
When He changed my nature  
Sanctified me, glorified me  
When He changed my name  
He just called me righteous, say  
(Repeat)  
For by grace we are saved  
It's a grace thing, my name has been changed  
He just called me righteous, say  
(Repeat)
