Oh Girl

[Me First and The Gimme Gimmes](#)

Oh, girl
I'd be in trouble if you left me now
'Cause I don't know where to look for love
I just don't know howOh, girl
How I depend on you
To give me love when I need it
Right on time you would always beAll my friends call me a fool
They say, "let the woman take care of you"
So I try to be hip, think like the crowd
But even the crowd can't help me now, oh-oh-ohOh, girl
Tell me, what am I gonna do
I know I got a guilty face
Girl, I feel so out of place, oh yeahDon't know where to go, who to see, yeah
All my friends call me a fool
They say, "let the woman take care of you"
So I try to be hip, think like the crowd
But even the crowd can't help me now, oh-oh-ohOh, girl
I guess I better go
I can save myself a lot of useless tears
Girl I've gotta get away from hereOh, girl
Pain will double if you leave me now
'Cause I don't know where to look for love
And I don't, I don't know how
