All Right

Toad the Wet Sprocket

Losing my aim losing time
And after
Ten in the morning I'll find
It matters
But it's all right, it's all right, all right this timePulls from the tether to rise
And shatters
Caught in the wind far and wide
It scattersIf I hear the call
Of the Lorelei
No I will not fall
It's all right, all right this timeNever patterns
But for the loss of things gaining
Catching up with me on these ladders
Rising and endlessly leading
Nowhere I can see
