These Walls

Teddy Geiger

I amI can't believe what is in front of me, the water's rising upto my knees
And I can't figure out, how the hell I wound up here
Everything seemed okay when I started out the other day
Then the rain came pouring down and now I'm drowning in my fears
But as I watch the setting sun, I wonder if I'm the only one'Cause everybody tries to put some love on the line
And everybody feels a broken heart sometimes
And even when I'm scared I have to try to fly
Sometimes I fall but I've seen it done before
I got to step outside these wallsI've got no master plan to help me out
Or make me stand up for all the things that I really want
You had me to afraid to ask
And as I look ahead of me, cry and pray for sanity'Cause everybody tries to put some love on the line
And everybody feels a broken heart sometimes, yeah
And even when I'm scared I have to try to fly
Sometimes I fall but I've seen it done before
I got to step outside these wallsThese walls can't be my heaven
These walls can't keep me safe here
Now I guess I got to let them down'Cause everybody tries to put some love on the line
And everybody feels a broken heart sometimes, yeah
Even when I'm scared I have to try to fly
Sometimes I fall but I've seen it done before
I got to break out, I got to break out, I got to step outside these wallsLove outside these walls, I feel my heart breaking
But it's a brand new day
And I'm going down 'cause I'm stepping out
I'm stepping outside these walls, I've seen it done before
And I'm walking on, I'll walking on, moving on, ooh
