Swingtown

Shelby Lynne

(Shelby Lynne - Jamie O'Hara - Brent Maher)When it's my time to go
I'll be singin' hi-de-ho
And if I'm truly glory bound
I'll be found in swingtownIf I saw Count and Cab
And met the Duke Man that'd be fad
And when my time rolls around
Just lay me down in swingtownChorus
And let the heavens swing with all their melodies
Put their names upon a big marquis
And when they need someone to sing a harmony
If I'm there please let 'em call on meInstrumentalIf I walked up to those pearly gates
And met Bob Wills that'd be great
Tell Ole Satchmo to come around
We'll all get down in swingtownRepeat ChorusRepeat First Verse
