Somebody

Bonnie Mckee

I sit alone
In a dark theater watching the people go by
Hand in hand, everybody but me
I stay behind
Watching the credits roll by
Roll, roll, roll right by me
But I know I won't cry
'Cause there is somebody, somebody, somebody waiting for me
Out in the rain
Won't cry, not tonight
'Cause there is somebody waiting for me
Oh, yeah, won't cry
I take a walk, the streets are busy tonight
And I am searching for you
Waiting to brush your shoulder
But I'm alone
I watch the faces roll by
Roll, roll, roll right by me
I know I won't cry
'Cause there is somebody, somebody, somebody waiting for me
Out in the rain
Won't cry, not tonight
'Cause there is somebody waiting for me
How many words will go unspoken, oh
Till I hear you knocking upon my door
I need some time cause tonight the spell unbroken
But tonight I know I won't cry no more
I lie awake, I left the porch light on
I hope it helps you to find your way
Outside I hear the thunder roll by
Roll, roll, roll right by me
But I know I won't cry
'Cause there is somebody, somebody, somebody waiting for me
Out in the rain
I'm not gonna cry tonight
No, 'cause there is somebody waiting for me
Not gonna cry tonight
Not gonna no, no, no, no, no
Oh, yeah, no, not gonna cry, not tonight

'Cause there is somebody waiting for me
I stay behind
Watching the credits roll by
Roll, roll, roll right by me
