

# Sea of Love

Marty Wilde

All these emotions I go through  
I am so in love with you  
True love has caught my heart  
Girl, it's more than a feeling  
True love has come, woah, oh, and swept me away  
The big sea of love, we're together forever  
You have my heart, you touch me each day  
You are daughter of Sarah  
I never knew why God blessed me  
With a woman like you  
But now I know His hand's on me  
And He knew I needed you  
True love has come, woah, oh, and swept me away  
The big sea of love, we're together forever  
You have my heart, you touch me each day  
You are daughter of Sarah  
I will always treasure you  
You are there when I need you  
It is love that will prevail  
And stand the test of time
