

# Marcel's

## Herman's Hermits

Marcel lives in Wapping, the ducks are due his tapping

Marcel's got a houseboat on the Thames

There's grotesque decorations, eccentric demonstrations

Let's go down to Marcel's on the Thames

CHORUS:  
Knock knock, sesame it's open, it's Alice in Wonderland

Marcel, Marcel

Can we come around, can we see you right away?

Can we come around? It's such a groovy day

Marcel, Marcel Meet the oddest creatures with unfamiliar features

Greeks & Turks with clerks & lemon tyne

Men with long eyelashes & ladies with mustaches

On Marcel's creaking house, it's on the Thames (chorus) Gusters work for giving, the panda men are livin'

(repeat & fade):

Let's go down to Marcel's on the Thames
