

# Works Of Carnage

## Krisiun

A predator amongst the flock  
Lord of painful carnal blessings  
Unleash the works of severance  
Reveal the ultimate temptation  
Sermons of lust and carnage  
Bow to the messiah of lessons in blood  
Deflower the sodomized holy seed  
Rendering the obscenity of nocturnal priests  
Night of the usurpation falls  
As the eyes of the impaled saviour watch  
Confined within the walls of gold  
Children of the cross embraced as corrupted  
Depraved venereal sacred wish  
Domination of flesh corrupted beliefs  
Sodomized buggered preacher  
Prayer of the father's forgiven sins  
Rites of church cavalry, blackened lustful wish  
Secrecies of sacred blasphemies, beyond the golden walls  
Chambers of carnage divine, to usurp and rape the purest  
Sworn to the heavens, thy father shall not break the oath
