

Don't Judge Me

Chris Brown

(Verse 1)

I don't wanna go there
We should never go there
Why you wanna go there
I guess I gotta go there Hook :
You're hearing rumors about me
And you can't stomach the thought
Of someone touching my body
When you're so close to my heart
I won't deny what they're saying
Because most of it is true
But it was all before I fell for you CHORUS:

So please babe
So please don't judge me
And I won't judge you
Cause it could get ugly
Before it gets beautiful
Please don't judge me
And I won't judge you
And if you love me
Then let it be beautiful
Let it be beautifu-u-ul 3x Verse 2:
Everything I say right now
Is gonna be used in another fight
And I've been through this so many times
Can we change this subject
You're going to start asking me questions like
"Was she attractive, was she an actress"
Baby the fact is You're hearing rumors about me
And saw some pictures online
Saying they got you so angry
Making you wish you were blind
Before we start talking crazy
Saying some things we'll regret
Can we just slow it down and press reset
You're beautiful ...CHORUS:
So Baby
So please don't judge me
And I won't judge you

Cause it could get ugly
Before it gets beautiful
Please don't judge me
And I won't judge you
And if you love me
Then let it be beautiful
Let it be beautiful(4x)Verse 3
Just let the past, just be the past
And focus on things, that are gonna make us laugh
Take me as I am, not who I was
Promise I'll be...
The one that you can trustCHORUS
So please
Please don't judge me
And I won't judge you
Cause it could get ugly
Before it gets beautiful
Please don't judge me
And I won't judge you
And if you love me
Then let it be beautiful
Let it be beautiful (4x)
I don't wanna go there, baby
We should never go there
