

Diggin' On You (C.J.'s House Mix)

TLC

I was like peace in a groove
On a Sunday afternoon
You were there so was I
In the park 4th of July
I was chillin' with my Kool-Aid
When Miss Chilli came to relay
That you had a thing for me
Finest thing you'd ever seen
I must admit to you
I've heard them lines a time or two
Although for some apparent reason
Monkey lines are now in season
Lights off, lights on
I guess the groove is on so I am Diggin' the scene
Diggin' on you
Diggin' on me
Baby bay-oh-baby baby
It's on like that
It's on like that
I gotta be in love or somethin' like that I was like deep in a cool
What'nt gone be nobody's fool
Could not care less who was there
Could've been like anywhere
I was chillin' with my Kool-Aid
Did not want to par-ti-ci-pate
In no silly conversations
Had no time for new relation-ships
I must admit to you
When I heard the lines you threw
Although it usually turns me off
But this time you have turned me on
Lights off, Lights on
I guess the groove is on and I am Diggin' the scene
Diggin' on you
Diggin' on me
Baby bay-oh-baby baby
It's on like that
It's on like that
I gotta be in love or somethin' like that Oh why do I feel the way I do

When all I can think about is you
What was it in a line
That made me fall for you
Do you know
Why I'm diggin' diggin' diggin' diggin' on youDiggin' the scene
Diggin' on you
Diggin' on me
Baby bay-oh-baby baby
It's on like that
It's on like that
I gotta be in love or somethin' like thatDiggin' on you
It's on like that
Diggin' diggin' diggin' diggin' on youDiggin' the scene
Diggin' on you
Diggin' on me
Baby bay-oh-baby baby
It's on like that
It's on like that
I gotta be in love or somethin' like that
