Broken Sonnet

Hale

And now I concede on the night
of this fifteenth song
Of melancholy, of melancholy
And now I will admit in this fourth line
That I love you, that i love youI don't care what they say
I don't care what they doCause tonight I leave my fears behind
Cause tonight I'll be right at your sideThe clock on the TV says 8:39 p.m.
It's the same, it's the same
And in this next line I'll say it all over again
That I love you, that i love youI don't care what they say
I don't care what they doCause tonight I leave my fears behind
Cause tonight I'll be right at your side
Lie down right next to me
Lie down right next to me
And I will never let go, will never let goI leave my fears behind
Cause tonight I'll be right at your side
Lie down right next to me
Lie down right next to me
And i will never let go, never let goBut still I see the tears from your eyes
Maybe I'm just not the one for you
