

Someday, Someway

The Marvelettes

Whoah, whoah
Some day (some day, ooh)
Some way (some way, ooh) I'm a-gonna' tell you
How much you mean to me
Not now
Not for a little while
I've got to be make sure that your love is pure
So you won't take advantage of me
Capture my heart, and set me free Some day (some day, ooh)
Some way (some way, ooh) When you prove to me
That it's true love that you feel for me
Then I'll, then I'll know
That your love is pure and I'll be sure that you
Won't take advantage of me
Capture my heart and set me free (Not now, not now) Not for a little while
I hate to take a chance
And lose a perfect romance I know you wonder
How long will it be
Before I tell you
How much you mean to me
But before I let myself go
I've just gotta know
If your love dear is really real Some day (some day, ooh)
Some way (some way, ooh)
Whoa-whoa-whoa (some day, ooh)
Whoa-whoa-whoa (some way, ooh)
Whoa-whoa-whoa...
