I Found Out

John Lennon

I told you before stay away from my door
Don't give me that brother, brother, brother, brother
The freaks on the phone won't leave me alone
So don't give me that brother, brother, brother, bROTHER
I, I found out
I, I found outNow that I showed you what I been through
Don't take nobody's word what you can do
There ain't no Jesus gonna come from the sky
Now that I found out I know I can cry
I, I found out
I, I found outSome of you sitting there with your cock in your hand
Don't get you nowhere, don't make you a man
I heard something bout my ma and my pa
They didn't want me so they made me a star
I, I found out
I, I found outOld hare Krishna got nothing on you
Just keep you crazy with nothing to do
Keep you occupied with pie in the sky
There ain't no Guru who can see through your eyes
I, I found out
I, I found out
