

I Found Out

[John Lennon](#)

I told you before stay away from my door
Don't give me that brother, brother, brother, brother
The freaks on the phone won't leave me alone
So don't give me that brother, brother, brother, bROTHER

I, I found out

I, I found out Now that I showed you what I been through

Don't take nobody's word what you can do
There ain't no Jesus gonna come from the sky

Now that I found out I know I can cry

I, I found out

I, I found out Some of you sitting there with your cock in your hand

Don't get you nowhere, don't make you a man

I heard something bout my ma and my pa
They didn't want me so they made me a star

I, I found out

I, I found out Old hare Krishna got nothing on you

Just keep you crazy with nothing to do

Keep you occupied with pie in the sky
There ain't no Guru who can see through your eyes

I, I found out

I, I found out
