The Shadow Knows

The Coasters

You can hide down in the alley
With your hat pulled over your eye
You can wear a wig or moustache
Or any old disguise
Well, you can change your name and your address
Even change your style of clothes
But the Shadow knows
The Shadow knowsNow, you thought you had me baffled (the shadow knows)
You thought I didn't know, hee-hee (the shadow knows)
But I know where you goin', baby (the shadow knows)
Long before you go
You can't even snap your fingers
Hee, or wiggle you toes, without the-
Shadow knows
The Shadow knowsThe Shadow knows, the Shadow knows
The Shadow knows, the Shadow knows
Ba-ba-ba-ba
Ba-ba-ba-ba
Ba-ba-ba-ba
Ba-ba-the Shadow knows
The Shadow knowsI say, "Baby, stop your jiving
And your messing round"
'Cause I know what you're putting, baby, long before you put it down
You better mind your Ps and Qs
And your Ms and Ns and Os
Because the Shadow knows
The Shadow knows (the Shadow knows)
