

# Greater Times On the Wayside

## Zeus

If you can hear me  
Let me see you breathing  
I'll tag along in the meantime  
I'm asleep tonight for  
Greater times on the wayside

When you're dreaming  
Who do you see and how do you feel when you think of it?  
Cause I've been thinking a lot about  
Giving you all I've got in a standstill
