

Live Forever

[Billy Joe Shaver](#)

I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now You're gonna want to hold me
Just like I always told you
You're gonna miss me when I'm gone Nobody here will ever find me
But I will always be around
Just like the songs I leave behind me
I'm gonna live forever now You fathers and you mothers
Be good to one another
Please try to raise your children right Don't let the darkness take 'em
Don't make 'em feel forsaken
Just lead them safely to the light When this old world is blown assunder
And all the stars fall from the sky
Remember someone really loves you
We'll live forever, you and I I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now
