

# Lost In Limbo

## Divided By Friday

Your world's not real.  
Though the words echoe though my ears  
Affirming all my fear and doubt.  
I'm lost without you here.  
Is this life I live a lie?  
When I leave, will I be alive for the first time?  
You've infected my mind.

And you keep telling me what you know,  
But baby, what do you believe?

If I'm dreaming,  
Will you be there to wake me up?  
I am your reality,  
The only thing that you believe in.  
Make up your mind, mind.  
I'll be waiting when you come back to me.

And we can still be together  
In this world we built forever,  
But you never take the chance;  
It's now or never.

And you keep telling me what you know,  
But baby, what do you believe?

And if I'm dreaming,  
Will you be there to wake me up?  
I am your reality,  
The only thing that you believe in.  
Make up your mind, mind.  
I'll be waiting when you come back to me.

You're just a shame.  
You're not enough for me, you're not enough.  
And I don't wanna be a truth locked in your mind.  
You'll always be a part of me.  
And I don't wanna be a lie you hide behind  
And never know it.

If I dreaming, will you wake me up?  
Will you wake me up?  
Cause I am your reality.  
There's nothing left aside for me.  
If I'm dreaming,  
Will you be there to wake me up?  
I am your reality,  
The only thing that you believe in.  
Make up your mind, mind.  
I'll be waiting when you come back to me.

And I'll be waiting when you come back to me.
