

# Mr. Telephone Man

## New Edition

Mr. Telephone Man, there's something wrong with my line  
When I dial my baby's number, I get a click everytime  
Mr. Telephone Man, there's something wrong with my line  
When I dial my baby's number, I get a click every time  
When I dial 611, computer service  
She said, "Hello, may I help you, please?"  
I told her something must be wrong with my phone  
'Cause my baby wouldn't hang up on me  
Mr. Telephone Man, there's something wrong with my line  
When I dial my baby's number, I get a click everytime  
Mr. Telephone Man, there's something wrong with my line  
When I dial my baby's number, I get a click every time  
She let the phone ring 20 times before she answered  
Let me tell you what happened then  
A minute later I got the operator saying, "Please hang up  
And place your call again", baby  
Mr. Telephone Man, there's something wrong with my line  
When I dial my baby's number, I get a click everytime  
Mr. Telephone Man, something's wrong with my line  
I try to dial her number, but I get a click everytime  
Some strange man is on the telephone  
He keeps telling me, my baby ain't home  
She ain't got no party line, the situation's blowing my mind  
Oh, I just can't take this anymore  
Please operator, see what you can do  
I dialed the right number but I still couldn't get through  
Could you just check the line just one more time if you can  
I'm pretty sure her phone wouldn't be answered by no man  
Mr. Telephone Man, there's something wrong with  
my line  
When I dial my baby's number, I get a click everytime  
Mr. Telephone Man, something's wrong with my line  
I try to dial her number, but I get a click everytime  
Must be a bad connection, I give her my love and affection  
I just can't take this no more  
This situation's blowing my mind  
Can't get my baby on the line  
I tried dialing information, Mr. Telephone Man  
I can't get no cooperation, Mr. Telephone Man  
Her sister's on the phone telling me my baby ain't at home  
Come on, baby, I just can't take it anymore  
Help me out  
Please, Mr. Telephone Man  
Help me out  
Please, Mr. Telephone Man
