The Conquering Lion

Morwells

The conquering Lion, shall break every chain
The conquering Lion, shall break every chain
Give Him the victory, again and again and again and again
Give Him the victoryThe conquering Lion, shall break every chain
The conquering Lion, shall break every chain
Give Him victory, again and again and again and again
And again and again, give us some victoryThe conquering Lion, you know the drums roll
Shall break every chain, every chain, every chain
The conquering Lion, shall break every chain
Give us some victory, we need some victory, really we need some victory
Again and again and again and again, give, give, give some victoryThe conquering Lion, He'll break every chain
Everyone of your chains, everyone of your chains
The conquering Lion, He's gonna break all of those chains if you just let Him
Give Him, give Him the victory, give Him the victory
Again and again and again and again, give Him the victoryPraise God, let's just!{Thank you}
It's freedom, freedom time y'all, freedom time y'all
Freedom time, be free
