Immortal

Kerli

When I was little,
I used to walk across the streets with my eyes closed
to see if God existed,
and I never got hitI danced along the edges of the rooftop,
to see if I would fall
and I never didAnd for a moment,
I feel immortal
and I am not scared, I am not scared
I feel immortal
'Cause I know you were there,
I know you are there
E-eh, e-eh, e-eh,
e-eh, e-ehNo one around me,
believed in anything,
So how could I
expect them to believe and trust a girl?I cried myself to sleep inside my bedroom,
and swear I'd never let them crush my worldAnd for a moment,
I feel immortal,
And I am not scared, I am not scared
And I feel immortal,
'Cause I know you were there
I know you are there
E-eh, e-eh,e-eh
OoohI felt like a flower,
trying to grow from the pavement
And they would walk all over meI felt like a snowflake,
In the middle of the desert,
wishing I'd melt, so I could be freeAnd I feel immortal,
I am not scared, no, I am not scared
And I feel immortal,
'Cause I know you were there,
I know you are there
Eh-eh x11I am not scared
