

Rising of the Sun (Sovereign over All)

[Delani](#)

From the rising of the sun
To the going down of the same
Lord you reign, you reign
For the rest of my days, till eternity I'll
Lord you reign, you reign

Over expanse sky let your name resound even beyond
Let your voice be heard
For you are sovereign Lord
You are sovereign Lord, you are sovereign Lord.....

You are sovereign over all
You are sovereign over all.
