

Let Go

Vanessa Hudgens

The day's been long
I just got home
And work is driving me crazy
I could do up

I could go out
But I'm feelin' too lazy
I wanna run
I wanna have fun

But I don't wanna work it
All I wanna do is go and kick it with my crew tonight
All I wanna do is let go tonight
I'm feelin' right

I just wanna forget about it
All I wanna do is let go tonight
Wind it up
Without my getup

All I wanna do is get down tonight
Move around tonight
Don't really care about it
All I wanna do is let go tonight

I'm feeling free
Tonight is just for me
I count on you
You're coming too

Yeah I'm hopin' you feel it
'Cause at my best
And at my worst
Yeah you've already seen it

Let down your hair
The hell who cares
Gonna let it all out
All I wanna do is go and kick it with my crew tonight

All I wanna do is let go tonight

I'm feelin' right
I just wanna forget about it
All I wanna do is let go tonight
Wind it up

Without my get up
All I wanna do is get down tonight
Move around tonight
Don't really care about it

All I wanna do is let go tonight
I'm feeling free
Tonight is just for me
High heels just feels

Like a business stance
Make it hard to dance
Tight shirt, short skirt
Just hurt, Too much work

A fake up of make up
Never handled the wet
'Cause I wanna sweat
All I wanna do is kick it with my crew tonight
All I wanna do is let go tonight

I'm feelin' right
I just wanna forget about it
All I wanna do is let go tonight
Wind it up

Without my get up
All I wanna do is get down tonight
Move around tonight
Don't really care about it

All I wanna do is kick it with my crew tonight
All I wanna do is let go tonight
I'm feelin' right
I just wanna forget about it

All I wanna do is let go tonight
Wind it up
Without my getup

All I wanna do is get down tonight

Move around tonight

Don't really care about it

All I wanna do is let go tonight

I'm feeling free

Tonight is just for me
