

# Never Make Me Cry

## Fleetwood Mac

Go and do what you want  
I know that you have the need  
But you know that I'll wait as long as it takes  
And you'll never make me, you'll never make me  
You'll never make me cry I may not mean everything  
But I'm happy to have your love  
And don't worry, baby, I'll be alright  
And I'll never make you, I'll never make you  
I'll never make you cry So go and do what you want  
I know that you have the need  
And don't worry, baby, I'll be alright  
You'll never make me, you'll never make me  
You'll never make me cry
