

As She's Walking Away (featuring Alan Jackson)

Zac Brown Band

We never spoke a word
But every thought she had I heard from across the room
If we were standing face to face
I couldn't find the words to say
Give me one more move
I don't even know her name
I guess foolish pride's to blame
Now I'm falling in love as she's walking away
And my heart won't tell my mind to tell my mouth what it should say
May have lost this battle, live to fight another day
Now I'm falling in love
As she's walking away
Wise man next to me did say
'Bout the one that got away
Son I missed my chance
Don't you let regret take place
Of the dreams you have to chase
Ask her to dance, go on son
You might fall down on your face
Roll the dice and have some faith
And don't be falling in love as she's walking away
When your heart won't tell your mind to tell your mouth what it should say
May have lost this battle, live to fight another day
Don't be falling in love
As she's walking away
You might fall down on your face
Roll the dice and have some faith
And don't be falling in love as she's walking away
When your heart won't tell your mind to tell your mouth what it should say
May have lost this battle, live to fight another day
Don't be falling, falling, falling in love
As she's walking away
