Darling Debra Jean

Porter Wagoner

Just beayond the chapel door waits the one you're waiting for
The one you've chosen to fulfill your dreams
So with an angel by my side I walk you down the aisle
To give away our darling Debra Jean
Silence fills the room as you stand beside the groom
Then I hear you whisper with this ring
As your mother softly cries then the teardrops fill my eyes
Our little girl our darling Debra Jean
On this your wedding day now I've given you away
And I know that's just exactly what it means
I know from this day on to another you'll belong
Our little girl is gone our Debra Jean
We wish you both the best wish you joy and happiness
And hope you'll always know what true love means
But to your mother and to me you know you'll always be
Our little darling our little Debra Jean our little darling our little Debra Jean
