# I Promise You

## La Sera

I know,
That my love for you is real.
It's something true that we do just something natural that I feel
When you walk in the room,
When you're near
I feel my heart skip a beat
The whole world dissapears
Then there's just you and me, falling head over feel
Lets take a chance together
Chorus:
I know, I know, I know, I know,
We're gonna make it
Cause no one else can make me feel the way that you to.
I promise you
I know, I know, I know, I know,
We gonna get there
Today, tomorrow, and forever we will stay true
I promise you
They say that "we're just too young"
To know
But im sure heart and soul that im never letting you go
When its right its right and this is it ?
Cause I'm walking on air every single time that we kiss

you make the angels sing
you give that songbird wings
You make everything better
I know, I know, I know, I know,
We're gonna make it
Cause no one else can make me feel the way that you to.
I promise you
I know, I know, I know, I know,
We gonna get there
Today, tomorrow, and forever we will stay true
I promise you
I'll never let you down,
I'll always hear you out
There is nothing you cannot confide
You listen when I speak

You make my knees go weak
And I just want you buy my side
I know, I know, I know, I know,
We're gonna make it
Cause no one else can make me feel the way that you to.
I promise you
I know, I know, I know, I know,
We gonna get there
Today, tomorrow, and forever we will stay true
I promise you, we're gonna make it
I promise you, yeah, yeah, yeah.
I promise you
