I Promise You

La Sera

I know,

That my love for you is real.

It's something true that we do just something natural that I feel

When you walk in the room,

When you're near

I feel my heart skip a beat

The whole world dissapears

Then there's just you and me, falling head over feel

Lets take a chance together

Chorus:

I know, I know, I know, I know,

We're gonna make it

Cause no one else can make me feel the way that you to.

I promise you

I know, I know, I know, I know,

We gonna get there

Today, tomorrow, and forever we will stay true

I promise you

They say that "we're just too young"

To know

But im sure heart and soul that im never letting you go

When its right its right and this is it?

Cause I'm walking on air every single time that we kiss

you make the angels sing

you give that songbird wings

You make everything better

I know, I know, I know, I know,

We're gonna make it

Cause no one else can make me feel the way that you to.

I promise you

I know, I know, I know, I know,

We gonna get there

Today, tomorrow, and forever we will stay true

I promise you

I'll never let you down,

I'll always hear you out

There is nothing you cannot confide

You listen when I speak

You make my knees go weak
And I just want you buy my side
I know, I know, I know,
We're gonna make it
Cause no one else can make me feel the way that you to.
I promise you
I know, I know, I know,
We gonna get there
Today, tomorrow, and forever we will stay true
I promise you, we're gonna make it
I promise you, yeah, yeah, yeah.
I promise you
