Hurt

Leona Lewis

I hurt myself today,
To see if I still feel,
I focus on the pain,
The only thing that's real,
The needle tears a hole,
The old familiar sting,
Try to kill it all away,
But I remember everything,
[Chorus]What have I become,
My sweetest friend,
Everyone I know,
Goes away in the end,
And you could have it all,
My empire of dirt,
I will let you down,

I will make you hurt,
Beneath the stains of time,
The feelings disappear,
You are someone else,
I am still right here,
[Chorus]And you could have it all,
My empire of dirt,
I will let you down,
I will make you hurt,
If I could start again,
A million miles away,
I will keep myself,
I would find a way
I will find a way.
