

I'm Depending On You (Single Version)

Otis Redding

I'm depending on you
Everything that you do
I'm depending on you
To see me through
You know that I love you
And there is nothing I can do
But depend on you
I'm depending on you
This is our last chance
And I'm depending on you
To try to save our romance
Because you're the only girl
That I understand
When you tell me I'm your man
Promise me that you will never leave me
Promise me that you will never say goodbye
Promise me that you will never break my heart
And now you're making me cry
I'm depending on you
This is our last chance
I'm depending on you
Just to try to save our romance
Because you're the only girl
That I understand
Honey, tell me I'm your man
