

# Watchin' You

## Muzikjunki

(written by Gene Simmons), originally performed by KISSLivin' as you do and I'm watchin' you

And you don't really know a-just what to do  
You don't really know  
You don't really know  
What to do  
And I'm standin' here not quite aware  
And I'm tryin' baby, tryin' not to stare  
Ooh, 'cause everybody else is here  
Yes, everybody else is here  
Everybody else is here  
Watchin' you  
Ooh, 'cause everybody else is here  
Yes, everybody else is here  
Everybody else is here  
Watchin' us
