

# Life Sentence

## Satan

Your wretched soul just one of the many  
A life sentence bestowed upon you  
A tolling hell has released you from your prison  
Your living hell for a crime you did not do Life sentence. It's been twenty eight long years  
Life sentence. You almost gave up hope  
You called my name and often I would hear you  
Life sentence. We set you free you never gave up hope The time is now, your wait is almost over  
Rising up to regain the golden throne  
We will be strong, our voices raised in  
Dead men's souls no longer cry and moan  
Life sentence. It's been twenty eight long years  
Life sentence. You almost gave up hope  
You called my name and often I would hear you  
Life sentence. We set you free you never gave up hope Listen heard this is the sound of freedom  
The dogs of hate will howl before they fall  
We play our part standing strong together  
We dare not fail, rise yuo and heed the call  
Life sentence. Twenty eight long years  
Life sentence. Together once again  
We'll call your name and lead you from your darkness  
Life sentence. With burning heart the sound begins again
