The Library

Barney

You can have an adventure in a far away land
You can learn about a tuba in a marching band
You can travel to the stars, or the deep blue sea
When you learn to borrow books from the libraryBut please don't be loud shh, so that everyone here can read
You will be proud when you take a book home from the libraryYou can have an adventure in a far away land
You can learn about a tuba in a marching band
You can travel to the stars, or the deep blue sea
When you learn to borrow books from the libraryBut please don't be loud shh, so that everyone here can read
You will be proud when you take a book home from the library
