

Bang Bang Lulu

Lloyd Charmers

Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Lulu had a boyfriend
He could not get enough
She could never stop him
He was hooked on makin'
Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Lulu had a red dress
When she put it on
Every man that she passed by
Thought she must be
Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Lulu joined the army
She was fighting in a war
Stood in front of the enemy
Their weapons hit them
Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Lulu knew a singer
He had so many hits

She loved his voice
But she hated the way he kept grabbin' her
Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Lulu had a boyfriend
He just couldn't get enough
She could never stop him
He was hooked on makin'
Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Bang bang Lulu
Lulu's going away
Lu is going to bang bang
Now Lulu's going away
Bang bang Lulu
Lulu's going away
