

What More Can I Do

Grainne Duffy

what more can I do
you know Id gladly
lose myself to you
but something always
holds me back
I wish I knew
what it is that stops me
from loving you
the way it should be
oh ! oh! OH! OH!what I more can I do
Im trying hard
I know I could believe in you
but something always keeps a hold on me
and just wont let me go
such a burning bully inside
while Im trying to hide
that I want you to own me, own me
own me, oh yeahwhat more can I say
I said it all now
got such a lovely losing price to pay
if you ignore me
what more can I do?
what more can I do?
what more can I do?
