

# The Fear (Wideboys Prime Time Radio Edit)

[Lily Allen](#)

I want to be rich and I want lots of money  
I don't care about clever I don't care about funny  
I want loads of clothes and fuckloads of diamonds  
I heard people die while they are trying to find them I'll take my clothes off and it will be shameless  
Cause everyone knows that's how you get famous  
I'll look at the sun and I'll look in the mirror  
I'm on the right track yeah I'm on to a winner I don't know what's right and what's real anymore  
I don't know how I'm meant to feel anymore  
When do you think it will all become clear  
And I'll be taken over by the fear Life's about film stars and less about mothers  
It's all about fast cars and cussing each other  
But it doesn't matter cause I'm packing plastic  
And that's what makes my life so fuckin' fantastic And I am a weapon of massive consumption  
And it's not my fault it's how I'm programmed to function  
I'll look at the sun and I'll look in the mirror  
I'm on the right track yeah I'm on to a winner I don't know what's right and what's real anymore  
I don't know how I'm meant to feel anymore  
When do you think it will all become clear  
And I'll be taken over by the fear Forget about guns and forget ammunition  
Cause I'm killing them all on my own little mission  
Now I'm not a saint but I'm not a sinner  
Now everything is cool as long as I'm getting thinner I don't know what's right and what's real anymore  
I don't know how I'm meant to feel anymore  
When do you think it will all become clear  
And I'll be taken over by the fear
