

# In The Meantime

King

You say 'Replay, run it back and forth'  
But I'm nothing like the girl you knew before  
I told you I'd be fine on my own  
And I can't promise to stay  
But the words I meant to say were 'I need you'  
And I want to make it right  
If not for life, just for tonightIn the meantime  
We'll look out for the signs  
Hold your heart close to mine  
And for right now we'll just be  
Watch and seeRound and round and upside down again  
Nowadays he seems a different man  
He told me he was making other plans  
And couldn't promise to stay  
But what he really meant to say was 'I love you'  
And he wants to make it right  
If not for life, just for tonightIn the meantime  
We'll look out for the signs  
Hold your heart close to mine  
And for right now we'll just be  
Watch and see
