

Me and I

ABBA

Sometimes when I'm mad
There's a part of me
That seems to be a little sad
Sometimes when I scream
There's a voice in me that says
"You shouldn't be so mean"
Oh no oh no Part of me is acting
While the other stands beside
Yes I am to myself
What Jekyll must have been to Hyde We're like sun and rainy weather
Sometimes we're a hit together
Me and I
Gloomy moods and inspiration
We're a funny combination
Me and I don't think I'm different
Or in any way unique
Think about yourself for a minute
And you'll find the answer in it
Everyone's a freak Sometimes I have toyed
With ideas that I got
From good old Dr Freud
Nothing new of course
It may seem to you
I try to break through open doors
Oh no oh no I just wanna say
A lot of that applies to me
'Cause it's an explanation
To my split identity We're like sun and rainy weather
Sometimes we're a hit together
Me and I
Gloomy moods and inspiration
We're a funny combination
Me and I don't think I'm different
Or in any way unique
Think about yourself for a minute
And you'll find the answer in it
Everyone's a freak Me and I
We're like sun and rainy weather
Sometimes we're a hit together

Me and I
Gloomy moods and inspiration
We're a funny combination
Me and I don't think I'm different
Or in any way unique
Think about yourself for a minute
And you'll find the answer in it
Everyone's a freak We're like sun and rainy weather
Sometimes we're a hit together
Me and I
Gloomy moods and inspiration
We're a funny combination
Me and I
