

Faith Hope Love Repeat

Brandon Heath

I wanna build four walls,
keep you safe inside And catch you when you fall,
don't wanna see you cry When you walk down the street,
make you hold my hand I wanna lift you off your feet,
be your superman, superman [Verse 2] I wanna take you for a ride,
when you cannot sleep Brush your hair to the side,
kiss you on your cheek I wanna stay up all night,
making sure you breathe Oh, my God what a gift,
He has given me [Chorus 1] I brought you into this world And I'm
sorry it's a little bit crazy But I tell you there is
so much good Though the future looks a little bit hazy '
Cause He got me, in Him I will promise He will give us everything
that we need So have faith, hope and love Faith, hope and love,
repeat Faith, hope and love, faith, hope and love Faith,
hope and love, faith,
hope and love [Verse 3] I wanna show you the world,
climb the mountaintops Watch you dance in the rain,
I hope it never stops Whatever tomorrow brings,
I hope it brings you joy And when it's all too much,
I'll hold you in my arms [Chorus 2] Yeah,
I brought you into this world And I'm sorry it's a little bit crazy
But I tell you there is so much good
Though the future looks a little bit hazy '
Cause He got me, in Him I will promise He will give us everything
that we need So have faith, hope and love Faith, hope and love...
But there will be days when you lose your faith And there
will be nights when you give up hope Disappointment and pain,
and you flirt with the shame So you call me from the end of your road
And I'll give you whatever I have But there's only one thing you'll
need And that's love, I give you my love My love,
I give you my love [Chorus 3] Yeah,
I brought you into this world And I'm sorry it's a little bit crazy
But I tell you there is so much good
Though the future looks a little bit hazy '
Cause He got me, in Him I will promise He will give us everything
that we need So have faith, hope and love Faith, hope and love,
repeat Faith, hope and love, faith, hope and love,
repeat Faith, hope and love, faith, hope and love, repeat
