Use a Bank I'd Rather Die

McCarthy

No you won't ever catch me in a compromise
From now on I will help yous will be on sell free (?)
I'll never use a bank, I'd prefer to die
I'll give my money away to a charityWe won't use cash, no no no no
We'll let no cash soil our handsThe use of violence isn't justified
If they send the army in we will send in fliers
None of us should use a gun, we'd prefer to die
No it's not ever right
We won't use guns, no no no no
We'll let no guns soil our hands
Oh no we won'tOur rulers are fools, everybody knows
But some of them do use their heads, so let us take note
None of us should use our head, we'd prefer to die
We will find some other means to improve our lives
We won't use thought, no no no no
We'll let no thought soil our hands
We won't use thought, no no no no
We'll let no thought soil our hands
Oh no we won't
