

# Body Talk

## KIX

I know what you mean  
When you look like that  
I read you like a book  
When you look like that  
She don't like to hide  
Any feelings deep inside  
And that's, that's just what I need  
Something just like you to read  
Anyway I can see there isn't any mystery  
You don't have to read minds to know that you're my kind  
They know that she talks body talk  
Pictures I can see  
She talk body talk (Body talk, body talk)  
She talk body talk  
Music I can see  
She talk body talk (Body Talk)  
Talk to me  
They call you extreme  
You're my flesh, flesh and blood dream  
Can I still be asleep if my point of view's skin deep  
Anyway I can see there isn't any mystery  
You don't have to read minds to know you're my kind  
(chorus)  
You're gonna feel my reaction tonight  
Tonight we're gonna make this attraction tonight - tonight  
Anyway I can see there isn't any mystery  
You don't have to read minds to know you're my kind  
Talk (talk) Talk (talk talk)  
Talk to me (body talk) Talk (body talk body talk)  
Talk (talk) Talk (talk talk)  
Talk to me (body talk) Talk (body talk)  
She talk She talks body talk  
Pictures I can see  
She talks body talk (body talk)  
Talk to me (body talk body talk)  
She talk body talk  
Music I can see she talk (body talk)  
Talk to me
