BRAVA

Weâ€™re just fine
Iâ€™m glad we are all
I just might
Pretend youâ€™re away

I help you across
Pretend what you like to say

Itâ€™s time / to finish / the line / a minute / but we
We cannot stay

Can you tell me?
Can you tell me how you lost it?
Which is what Iâ€™ve
Always ever looked for

I help you across
Pretend what you like to say

Itâ€™s time / to finish/ the line / a minute / but we
We cannot stay

Weâ€™ve spent some time
Some time together
But we cannot stay
