# Battles

## The Rubens

Yeah I got some battle scars
doesn't matter who you are
take some time babe to earn my trust
and never let go of the past
got a few things to see to
and I don't exactly need you
made myself a promise
never ever fall in love
never ever fall in love
So I said I would call you
and I want to but I don't know if I should
yeah
Should I stoke this fire
knowing full well if it gets out of hand
I'm a crook
Yeah I got some battle scars
doesn't matter who you are
take some time babe to earn my trust
and never let go of the past
got a few things to see to
and I don't exactly need you
made myself a promise
never ever fall in love
never ever fall in love
see you way too easy
it's about being at the right time
but it hasn't come yet
yeah
Think it's lost its meaning
meaning in the mean time it's better left unsaid
it's for the best
yeah
oh no
got a few things to see to
and I don't exactly need you
made myself a promise
never ever fall in love
never ever fall in love
never ever fall in love

never ever fall in love
Yeah I got some battle scars
doesn't matter who you are
take some time babe to earn my trust
and never let go of the past
got a few things to see to
and I don't exactly need you
made myself a promise
never ever fall in love
never ever fall in love
got a few things to see to
and I don't exactly need you
made myself a promise
never ever fall in love
never ever fall in love
never ever fall in love
