

# Heartbreak On Vinyl (Danny Verde Club Mix)

**Blake Lewis**

Heartbreak on vinyl  
I've been missing you and how  
The easy street is empty  
The silence of the sound I guess that the turn tables have turned  
Round, round too many times  
I wish we could just go back there tonight I waited for you for at the record shop  
Walked through the doors and the records stopped  
Heartbreak on vinyl was the name of the store  
Now the store is gone and we can't meet there anymore We were digging in the crates of love  
Well darling, sometimes love just ain't enough  
Heartbreak on vinyl was for people I guess  
Who fall in love in analog and never let go Heartbreak on vinyl  
You couldn't hit the ground  
Hello sweet sorrow  
You're sweeping through my town I guess the turn tables have turned  
Round, round too many times  
I wish we could just go back there tonight I waited for you for at the record shop  
Walked through the doors and the records stopped  
Heartbreak on vinyl was the name of the store  
Now the store is gone and we can't meet there anymore We were digging in the crates of love  
Well darling, sometimes love just ain't enough  
Heartbreak on vinyl was for people I guess  
Who fall in love in analog and never let go I waited for you for at the record shop  
Walked through the doors and the records stopped  
Heartbreak on vinyl was the name of the store  
Now the store is gone and we can't meet there anymore We were digging in the crates of love  
Well darling, sometimes love just ain't enough  
Heartbreak on vinyl was for people I guess  
Who fall in love in analog and never let go Never let go  
Who fall in love in analog and never let go  
Never let go, never let go
