

# Danger in Loving You

Halie Loren

Mine was a blue world  
until you came along  
Thought I was through  
singing a melancholy song  
Now the tune is the same  
and every word's coming true  
Guess that's the danger in loving you Just like a silly moth  
that can't seem to learn  
I keep running back  
although I know It's gonna burn  
Sometimes I hate myself  
but what can I do  
I'm drawn to the danger in loving you  
[#1]

I can't fight your devil charms  
when you take me in your arms  
And you lead me into harm's way  
I'm a captive in the game you play[repeat #1]  
I'm like a gambler  
in this round of roulette  
'Cept it's my heart  
that I've got riding on a bet  
How long will it take  
before you break it in two  
It's all in the danger in loving you  
It's all in the danger in loving you
