Leavin'

The Stowaways

Hey baby girl, I?ve been watchin? you all day
Man that thing you got behind you is amazin?
You make me wanna take you out and let it rain
I know you got a man but this is what you should say
Why don?t you tell him that
I?m leavin?, never lookin? back again
You found somebody who does it better than he can
No more makin? you cry, no more them gray skies
Girl, we flyin? on the G5, G5
And we?re leavin? never lookin? back again
So call your shawty and tell him you found a new man
The one that?s so so fly, the one that keep you high
Have you singin' all night night night
(Oh, oh, oh)
Yeah
(Oh, oh, oh)
Man she gon? be singin?
(Oh, oh, oh)
She gon? be singin? like, oh oh oh
(Oh, oh, oh)
Now if I talk it girl, you know that I'ma walk it out
Man I?ll put my money money where my mouth is
?Cause you the baddest little thing that I?ve ever seen
So I?ma ask you one time if you got a man
Why don?t you tell him that
I?m leavin?, never lookin? back again
You found somebody who does it better than he can
No more makin? you cry, no more them gray skies
Girl, we flyin? on the G5, G5
And we?re leavin?, never lookin? back again
So call your shawty and tell him you found a new man
The one that?s so so fly, the one that keep you high
Have you singin? all night night night
(Oh, oh, oh)
(Oh, oh, oh)
Man she gon? be singin?
(Oh, oh, oh)
She gon? be singin?, uh, she gon? be singin?
(Oh, oh, oh)

She gon? be singin?, girl, you gon? be singin?
Don?t stress, don?t stress, don?t stress
Just tell him to the left left left
Don?t stress, don?t stress, don?t stress
?Cause we gone and we gone and we gone
No stress, no stress, no stress
Girl, you deserve nothing but the best
No stress, no stress, no stress
Girl, you need to tell him
I?m leavin?, never lookin? back again
You found somebody who does it better than he can
No more makin? you cry, no more them gray skies
Girl, we flyin? on the G5 G5
And we?re leavin?, never lookin back again
So call your shawty and tell him you found a new man
The one who?s so so fly, the one that keep you high
Have you singin? all night night night night night
(Oh, oh, oh)
(Oh, oh, oh)
Man she gon? be singin?, oh
(Oh, oh, oh)
Singin? all night, night, night, night
(Oh, oh, oh)
(Oh, oh, oh)
(Oh, oh, oh)
Man she gon? be singin?
(Oh, oh, oh)
She gon? be singin?, uh, she gon? be singin?
(Oh, oh, oh)
She gon? be singin?, girl, you gon? be singin?
