

# Evacuee

Enya

Each time on my leaving home  
I run back to my mother's arms,  
one last hold and then it's over.

Watching me, you know I cry,  
you wave a kiss to say goodbye,  
Feel the sky fall down upon me!

All I am, a child with promises  
All I have, are miles full of promises of home.

If only I could stay with you,  
my train moves on, you're gone from view,  
Now I must wait until it's over.

Days will pass, your words to me,  
it seems so long; eternity,  
but I must wait until it's over.
